

May/June, 2020

Dear Business Manager or Owner,

**Want to get your business noticed by one of the fastest growing demographic groups -- homeschooling families?**

We have an easy way for you to reach local homeschoolers with your product or service:

**Simply donate a free gift or coupon from your company to each of the approximately 100 students who will be participating in our annual Homeschool Project Fair on June 15th, 2020, at Center Point Community Church in Naples.**

We are the largest homeschooling organization in Collier County and our members are mostly parents with several children; they tend to be very loyal customers when they find a company that meets their needs.

The Project Fair is an annual event, open to the public, which features students of all ages presenting in a science fair type of format.

**As a reward for their hard work, each student receives a “goodie bag” filled with special gifts and coupons from local businesses.**

For example, your company could donate a coupon for a free or discounted lesson or meal – or a physical item such as a treat, pen, or sample with your company name on it. (Note that it cannot be just a business card or flyer – there must be either a discount offered, or an item given.)

**If you donate such a coupon or item, your company will be also listed as a generous contributor in the Homeschool Project Fair program.**

Thank you. Please note we need <sup>approximately</sup> **100 items**. We will pick up the items if you text or call \_\_\_\_\_ at \_\_\_\_\_.
